

Scholarship Renewal Policy for Students Participating in an External International Study Opportunity

Students who choose to pursue an international study opportunity while paying fees to another institution will be ineligible to hold their renewable scholarships during the period in which they study abroad. On return to St. Thomas, students may apply to the Registrar's Office for the reinstatement of their scholarships as follows:

- (a) If students have been away from the university for a full academic year (September to April), their eligibility for scholarship reinstatement will be considered based on course work (minimum of 24 credit hours) completed during the academic year prior to the study abroad year.
- (b) If students have studied abroad for one term (September to December or January to April) during an academic year, their eligibility for scholarship reinstatement will be considered based on their grade point average on the most recent 24 credit hours completed at St. Thomas.

Students who seek exemption from these regulations may appeal, in writing, to the Senate Admissions and Academic Standing Committee.

H. Student Accessibility Services Policy

From our Mission...

We are united in the belief that people of divergent backgrounds and abilities should have an opportunity to learn and practice critical thought and to realize their intellectual potential in an academic setting that is both responsive and stimulating. We believe that learning engages the whole person; we seek to provide an environment conducive to enriching student life.

...To Our Commitment

St. Thomas University is committed to creating an equitable environment by ensuring that all members of our community have access to the full range of university life. This means supporting students with disabilities in their full participation in the educational, social and cultural life of our university. Sharing responsibility with each student for their success, our accessibility program is consistent with our academic standards as we strive to make reasonable and appropriate accommodations to allow students to enjoy the benefits of higher education.

'Disabilities' shall be defined as those conditions so designated under the New Brunswick Human Rights Act and will include physical, medical, learning, and psychiatric disabilities.

1) Mission Statement of Student Accessibility Services (SAS)

St. Thomas University is mandated by law and the aspirations of our community to provide an educational environment that:

- demonstrates professionalism and academic integrity
- values diversity
- respects learning

2) Introduction and Guiding Policies

This policy has been written in accordance with the *Canadian Charter of Rights and Freedoms* (1982) and the *New Brunswick Human Rights Code* (1992)

Canadian Charter of Rights and Freedoms (1982), Section 15 (1)

Section 15 (1) Guarantee of Rights and Freedoms

Every individual is equal before and under the law and has the right to the equal protection

The accommodation process is a shared responsibility that requires the student and the Manager of Accessibility Services to work together to reach appropriate and reasonable accommodations. When determining the suitability of an accommodation, the following factors are taken into account:

- is the accommodation related to the disability?
- does the student require the accommodation to participate in education at the university?
- can the accommodation be provided without undue hardship?

Accessibility Services cannot guarantee accommodations to students who make requests after the deadlines stated in the procedural manual for Student Accessibility Services.¹

3.2) *ii-Temporary Accommodations*

Students may register with Student Accessibility Services to receive accommodations for a temporary disability. Documentation supporting the need for temporary accommodations must come from a licensed health or mental health professional and include information pertaining to the duration of the disability. Students requiring temporary accommodations will be required to return to the SAS each semester to provide updated documentation and to have their accommodations re-evaluated.

Consent Forms

Consent forms must be signed by the students to disclose any information to any University staff and/or outside parties (such as family members or other individuals). Consent forms are available at Student Accessibility Services.
